Route Recommendations

Route 12 is proposed to be replaced by a METRO Connect zone to provide better neighborhood access to transit. Riders can use METRO Connect zone to access the River Cities Travel Center. Replacing the fixed route with a METRO Connect zone will give riders more flexibility in when they can travel and may provide them a more direct ride to their destination. In addition, special fixed-route "tripper" service will be provided to eStem Public Charter School. Tripper bus runs are planned to coincide with morning and afternoon dismissal times from eStem's East Village campus.
