

# Route 22

University Avenue / Mabelvale  
Local

Rock Region  
METRO

## Route Recommendations

Route 22 is realigned to have a new northern terminus at the Midtown transit hub where it would be paired with Route 8. The route segment north of Markham St is proposed for discontinuation due to low ridership. South of Baseline Rd, the route is proposed to be rerouted to serve Geyer Springs Rd (rather than Chicot Rd) and Mablevale Cut Off Rd in order to increase transit access within the community.

EXISTING
