

Route 26

Maumelle / Oak Grove Express
Express

Rock Region
METRO

Route Recommendations

Route 26 is proposed to be discontinued due to low ridership and performance and replaced by a METRO Connect zone to provide better, more flexible transit access. Each week, Maumelle will have 14 hours (Cost Neutral) / 16 hours (Moderate Growth), of METRO Connect service available to be scheduled at its discretion. Also, METRO is encouraging riders accessing jobs to explore the new METRO Pool service, which provides groups of 4+ riders a new model vehicle to ride together from nearby areas to job sites in close proximity.
