## Route Recommendations

Route 13 is proposed to be streamlined to provide more direct service and better connectivity. The route maintains its existing alignment south of Pike & 18th. North of 18th, the route remains on Pike to Pershing, and then travels east on Pershing, south on Willow, west on 26th, north on Percy Machin, and west on Pershing, connecting back with its existing alignment. This deviation provides access to the new Pershing & Willow transit hub and a connection to Route 10 outside of Downtown, which provides a faster trip to shopping/retail destinations along McCain Blvd. To provide a shorter trip for riders, Route 13 would no longer deviate north of Pershing to W. Scenic Dr. and south into S. Daisy Garden Courts.
