Route Recommendations

Route 14's alignment is proposed to be streamlined to provide more direct and frequent service. The route is proposed to serve Main St. and W. Roosevelt Rd to maintain half-mile route spacing with Route 16 and serve more destinations along busier roads. By John Barrow Rd, Route 14 would continue straight on W 36th St rather than deviating to Colonel Glenn Rd. This neighborhood would still be served by the John Barrow METRO Connect zone. Streamlining this route allows the route to operate every 30 instead of every 35 minutes. Route 14 would continue to be paired together with Route 3.
