Route Recommendations

Route 18 is proposed to be streamlined to provide more direct service and shorter travel times for riders. From the Travel Center, it follows its existing alignment into N. Little Rock. Instead of operating on Washington, it uses Broadway bidirectionally between Main & Glenview in order to provide more transit access to the north, and no longer deviates north of Broadway to Sam Evans Dr. The rest of the alignment has been streamlined to reduce one-way and Sunday-only service. A METRO Connect zone will replace service on Sam Evans Dr. and Eureka Garden.
